1. **Let your light Shine. (Acts 16:22-28)**

- Hiding your light takes **effort**.
- We are simply called to reflect the **Son**!
- As Christians, instead of hiding from the darkness we need to **shine** into it!

2. Your Salt and light living **changes lives (Acts 16:29-31)**

- We are divine **change agents** in this world

Conclusion:

- When we really know Him, He begins to come out in our conversations. We **cannot help** but be Salt and Light in this world.
- It happens not because we are so **great**, but because the one who is in us is so **great**!
