Title: “Living a Kairos Life in a Chronos World”

Text: Ephesians 5:15-16

1. Two Greek words for time

- a) Chronos
- b) Kairos

2. Kairos time is...

- “Pregnant” time
- The time of “possibility”
- The right or opportune moment
- Potential for ministry
- The time of God’s activity
- Where we sense God “*may be up to something*”
- God’s appointed time to act (Colossians 4:5;
Romans 5:6)

3. Faith allows us to elevate from Chronos time and focus on God’s time (ie. Kairos)

- Mark 1:15 – “*The time has come*”.
- Some moments are more valuable than other moments
- With Chronos we count our years. With Kairos we make our years count!

*“Lord Jesus, be pleased to build Kairos moments into my life.
Enable me to sense them and to flow with what you desire to
do, through the Holy Spirit in my life”*
