Title: *“Principle of the Path”*

Text: Proverbs 7:6-27

Big Idea:

“Direction not intention will determine destination”

Thoughts on the “Principle of the Path” from Proverbs 7:

- In our culture there is a **disconnect** between direction, intention, and destination.
- Paths are **predictable** when they are somebody else's.
- When a path **engages our heart** we will start down it even if we know it will cause us great harm.
- The **Enemy** knows the principle of the path and will use it to **lure** you down **destructive paths**.

What is your direction?
