Title: The Power of the Gospel

Text: Acts 16:13-34

Introduction:

Luke chose these three salvations from Philippi that show us the power of the gospel for the **religious**, the **oppressed**, and the **secular**.

- i. Lydia, the gospel for the religious.
- ii. The slave girl, the gospel for the oppressed.
- iii. The jailer, the gospel to the secular.

What do we learn from these three conversions?

- That the gospel is **powerful** when fully **applied**.

Will you let the Gospel change you?
