Speaker: Owen Scott

Title: *“Surely the Presence of the Lord is in this Place”*

Text: Genesis 28:16-17

1. The power of the Lord’s presence

- Exodus 33:14-16

2. God’s presence in Israel sets apart the nation of Israel from everyone else.

- It’s what sets us apart from the world
- God’s presence with us...
 - a) Leading
 - b) Guiding
 - c) Working in and through us

3. Note the difference...

- The scriptural promise that the Lord is with us
- The “manifest” presence of the Holy Spirit
- If a church has the manifest presence of God in its midst, *“things happen”*. People sense it. Hearts are touched.
- God’s presence in us does *“great things”*

4. Getting and maintaining the presence of the Lord in our lives and church

- 2 Chronicles 15:1-4

5. Responding to the Holy Spirit...waiting on the Lord...sensing His heart
