Title: “*Learning to Live Without Worry*”

Text: Matthew 6:25,33,34

1. Living in a culture of fear
2. What it means to seek the Kingdom of God first
 - Making the reality and the principles of God’s Kingdom our first and primary concern
3. Worry cannot exist in the Kingdom of God
 - The Kingdom of God is never in trouble
 - An antidote to worry is prayer (Phil. 4:6-7)
4. The power of Matthew 6:34
 - The Kingdom of God operates only in the present moment
 - We aren’t in “*tomorrow*” and never will be
 - God is working with me and His kingdom pace is “*one day at a time*”
5. Two important questions...
 - a) Who are you?
 - b) Where do I live?
