Title: God begins the rescue mission

Verses: Text Gen 12-15

Big Idea: That God uses flawed human beings to share and show his message of redemption to a hopeless world!

- 1. God has a plan to rescue humanity (Gen. 12:1-3)*

- 2. God wants to use flawed humans to display His power, to show that He is capable of rescuing (Gen 12:11-13)*

- 3. God signs on the dotted line to show his plan, and promises are trustworthy (Gen. 15:1-21; Mark 15:33-34; Is.53:8)*
