A note from Pastor Owen...

"Often after we yield ourselves fully to God, the Lord begins to take us through a refining process. He begins to purge us of things that are undesirable. There is an important truth to remember if we are to grow as Christians and it is this... *"God always works on us before using us as a channel of blessing for others"*. He is much more concerned about the worker than He is the work and He has no intentions of His children going to heaven with the same imperfections they were born with. When He begins to purge and refine us, we cry out in frustration and confusion and say *"Lord, what's happening? Why are you allowing me to go through all of this?"* But we cannot expect to be used of the Lord and have it cost us nothing. Indeed it will cost us everything. It will cost us our egotism, our pride, our independent spirit, our arrogance and our self-reliance. There must be a purging and cleansing of every area of our lives. God loves us the way we are, but He loves us too much to leave us that way. Therefore He sends His refining Holy Spirit to conform us to the image of Christ. It is painful, but it is a sweet pain and we need never be afraid to say, *"Have Your way in my life"*. It is then that we begin to take on the fruits and character of Jesus."
