

## *A note from Pastor Owen...*

The marvel of prayer is that as believers we have the privilege of presenting the needs of those around us to the One who can help us resolve those needs. The very concept of finite, failing humans being able to address and influence the infinite All Mighty God staggers the mind. But that's what prayer is. Prayer is the most important task we can do in this world. Prayer is our secret weapon. It is like a missile that can be fired toward any spot on earth and can travel undetected...and hit its target every time. Satan has no defence against this weapon of prayer. Through His incarnation, His cross and the full scope of His finished work, the Lord Jesus effectively trampled upon and defeated the fowler. The victory of our Lord Jesus Christ is our victory. It is through our union with Him in the triumph of His victory that we too participate in the *treading* and *trampling* of our defeated enemy. Don't forget to pray!
