

A note from Pastor Owen...

I remember ministering to a fellow who was facing a number of personal problems. When I suggested that we get down before the Lord and pray about it, he said *"Pray about it! Has it come to that?"* Many of us would be tempted to agree with this brother. We have come to that...just trusting the Lord. Sooner or later, does it not always *come to that*...so shouldn't we start with prayer and trusting God rather than coming to it as a last resort? When all our resources are used up and people misunderstand us and we don't know where to turn for help, we must first fling ourselves upon the Lord and rest in the security of His love. Don't wait for a colossal problem to cause you to cast yourself upon the Lord. The truth is, it always *comes to that*, so begin there and watch how the Lord will see you through each and every challenge in your life.
