

A note from Pastor Owen Scott...

The pastors and leaders of our church have a very demanding assignment...to find the mind of the Lord, the great Head of the church, as to the direction and functioning of our church. We are praying as to where the Lord wants to lead us in the future. Thoughtful consideration is being given to current needs, future opportunities and new ministries for our church. These are crucial days for us. The Holy Spirit is moving among us. We want to be open to what the Lord wants to do. This is HIS church, not ours. Our marching orders must come from Him. We must have more than clever programs. We need the anointing and leading of God. We have given ourselves to prayer. We are in unity. I'm convinced that exciting days are ahead. This is a great time to be alive. Please pray daily for Valley Church...that the work will grow and prosper under the Spirit's direction!
