

A note from Pastor Owen Scott...

As each day of my life passes I'm becoming more convinced about how much God loves people and desires to see them saved. I've asked him to give me "harvest eyes"...eyes that see people as He sees them. God's great love for His creation caused His Son to come to earth to die for us and offer us eternal life. He doesn't desire anyone to be lost, but for all to come to Him. When we see people as the Lord sees them, our hearts are filled with compassion and longing and care. I'm convinced that if people only knew the awesomeness of the Lord's love, they would run to Him. Our job is to tell them by our example and also by our words. They must hear of His love and His plan to deliver them from darkness. And how will they hear unless we tell them? *"Lord, this day I dedicate myself to telling people about Jesus' love. I will focus all of my energies, talents, money and time to this one task...that the world may know!"*
