

## *A note from Pastor Owen Scott...*

This past week Val and I celebrated our 42<sup>nd</sup> wedding anniversary. How we thank the Lord for putting us in each other's lives! There are many principles that make a marriage work. Early in our relationship, we learned the power of "magic words". These simple, but powerful words will keep our marriages strong and healthy and will build oneness and intimacy like nothing else. Here are the "magic words"... "I love you"... "I'm sorry"... "I was wrong"... "Please forgive me"... eleven words that will transform every relationship. Val and I seldom part from each other without saying, "I love you". Neither of us get tired of hearing those words. And many times we have spoiled the devil's plans by saying, "I'm sorry". Does your communication include these eleven magic words? Try using them and watch what happens when they are said with honesty and humility...They are life-giving in their power.
