

## *A note from Pastor Owen Scott...*

None of us need to be surprised if, right on the heels of a new spiritual beginning, we are blasted with double force by the Evil One. Be encouraged new or renewed Christian. This is a good sign. It is evidence that we are making progress and have aroused him. In his fury, he will attack body, mind and spirit to try to discourage, dismantle or deceive. He will do all he can to make us dull and stupid...will deaden our spirits and lull us into a stupor. Worldly things will seem extremely more interesting and spiritual things will seem boring. Unexplainable, troublesome things will happen and we may feel that God has abandoned us. When we thought we should feel joy, we'll feel depression. Instead of *spiritual highs*, we shall feel discontented and feel more like sighing than singing. Don't be discouraged. It's a sure sign that we're making headway. The further you go, the more resistance you may meet with. But remember...the victory has been already won by our Lord Jesus Christ. *"Greater is He who is in you than he who is in the world!"* (1 John 4:4) Walk by faith...stay close to Christ and you will overcome the adversary. Hallelujah!
