

A note from Pastor Owen Scott...

I am convinced that when people are in the right relationship with God and with one another, evangelism (sharing the good news about Jesus with others) happens spontaneously, consistently and almost effortlessly. Witnessing is not what we do, it is what we are, *"spilling over"* into what we do and say! When Jesus lives in us through the power of the Holy Spirit, then our entire lifestyle will tell of Him. It is a fact of life that the unevangelized of our community are not especially interested in hearing our message, but they can't help being curious when they sense Jesus Himself living in the messenger. 90% of all people who come to the Saviour come through a close friend or relative. Let's pray that you and I will be so attractive and winsome in our relationships that people will be drawn to the one who lives within us.
