

## *A note from Pastor Owen Scott...*

Someone once said, “*You can’t build a house in a hurricane*”. How true! Neither can you build a spiritual life in a hurricane. We ought not wait for the hour of trial to set our lives in order and draw close to the Lord. The day of blessing should bring our hearts close to the Lord, not the sudden catastrophe. If we walk with the Lord in the sunshine, when the storm breaks we always have a secure dwelling place. While you have health and loved ones and prosperity, make the Lord your strength and reason for living. Though many people find the Lord in the hour of desperation, it need not be that way. Don’t wait for the time of testing to get spiritual. Seek His presence and blessings on the good days, so when the hurricanes of life come, you’re safe, secure and satisfied in the shelter of His wings.
