

A note from Pastor Owen Scott...

Isn't it interesting that Jesus never wrote a book, but libraries are full of books written about Him. He never composed a single song, but His life has been the theme of compositions by Bach, Beethoven, Handel, Haydn, Mozart and Mendelssohn. The finest paintings in the world are about His life. Stately structures have been erected in His Name. He never founded a school, but hundreds of colleges have been established because of Him. Hundreds of orphanages and hospitals have been built because of Him. Every dated letter, document, bill and newspaper printed in the western hemisphere acknowledge the influence of Jesus Christ, for the year is understood to be A.D. which stands for "*Anno Domini*"...year of the Lord! Jesus Christ is as much alive today as when He walked the paths of Galilee. He rose from the dead and because he's alive, we can have a relationship with Him that is personal and real. He was a historical figure who never traveled more than 200 miles from His birthplace, but today He is the risen Saviour who can come into your life and change it forever!
