

A note from Pastor Owen Scott...

Listen to what John Wesley said about the authority of the Bible...*"The Bible must be the invention either of good men or angels, bad men or demons, or God.*

- 1) It could not be the invention of good men or angels because they would not make a book and tell lies all the time they were writing it, saying "Thus saith the Lord" when it was their own invention.*
- 2) It could not be the invention of bad men or demons, for they would not make a book which commands all duty, forbids all sin and condemns their own souls to hell for all of eternity.*

Therefore, I draw this conclusion, that the Bible must be given by the true and living God."
