

A note from Pastor Owen Scott...

After years of working with people who are in deep spiritual conflict, I find one common denominator. None of them know who they are in Christ. They don't know their true identity. They question their salvation and God's love for them. Seldom do they feel God's acceptance. Understanding your *identity in Christ* is absolutely essential to how well the Christian life is lived. A Christian in terms of our true identity is a saint, a blood bought born-again child of God, a citizen of heaven, a child of light, a divine masterpiece! It's not what we do that determines who we are...it's who we are in Christ that determines what we do! It's not what we must do for God...it's what He's done for us...and who we are because of that! After a knowledge of God, a knowledge of who you are is the most important thing you can ever know. You can never be defeated when you know who you are!

Valley Church...

There's a place for you!
