

## *A note from Pastor Owen Scott...*

The Lord is doing some exciting things at Valley Church. Lives are being touched and many are growing in the Lord and beginning to share their faith. I have no doubt that the Lord will continue to bless and grow us in every way till Jesus comes! It's important that we reach out to one another and involve each person in the community and life of our church. It's easy for people to get neglected and overlooked. Everyone needs friends. I encourage you to look around you this morning. Do you see anyone who looks new? Go over and introduce yourself. If they're sitting alone, ask them if they would like to sit with you. Be friendly. Go out of your way to include others in the conversation and fellowship following the services. You might consider inviting a family...a single person...or even some of the young people over for coffee or home for lunch. If you're part of a Growth Group, invite them to your group. As we open our homes and our hearts to one another, tremendous things will happen and there will be an explosion of love and care in our church body. Oh yes, and don't forget the Valley Church rule...*"If you've come more than four times to the church, you're no longer a visitor...you're now a greeter"*. Each Sunday as you come through the doors, ask the Holy Spirit to direct you to who you should talk to then trust Him to place you beside the right individuals. As you begin your ministry of friendship and hospitality, a fresh excitement will come over you and each Sunday will become an opportunity to be used greatly by the Lord.
