

## *How to have a meaningful life...*

...with thanks to Martyn Lloyd-Jones

- 1) Situations are always changing, therefore I must obviously not be dependent on my conditions
- 2) What matters supremely and vitally is my soul and my relationship to God
- 3) God is concerned about me as my Father and nothing happens to me apart from God. Even the very hairs of my head are numbered!
- 4) God's will and God's ways are a great mystery, but I know that whatever He wills or permits is of necessity for my good
- 5) My business is to look for manifestations of God's love and goodness and kindness and be prepared for surprises and blessings
- 6) I must regard circumstances and conditions not in and of themselves, but as a part of God's dealing with me in the work of perfecting my soul
- 7) Whatever my conditions may be at this present moment, they are only temporary...they are only passing...and they can never rob me of joy and the glory that ultimately awaits me with Christ
