

A note from Pastor Owen...

The good news of the gospel is that it's not just a set of answers we trust in...It's a PERSON. I found the words on this plaque quite interesting...*"Be it hereby enacted...that every three years all people shall forget whatever they have learned about Jesus and begin the study all over again"*. For me, although Jesus is *"the same yesterday, today and forever"* and a constant in my life, there are always new and powerful truths about him to be discovered. Following Christ is an ongoing adventure with amazing new discoveries every day.
